Respected Sir/Madam,

You know how important and joyous day convocation day is in a student's life. According to ancient tradition, this day marks the graduation of students from 'Gurukul'. So from last year we started celebrating convocation day as per the direction of DGT, MSDE, Govt. of India. Keeping that tradition intact, this year we will also celebrate 19th September as "Convocation Day" in our college.

Besides this, an anti-ragging committee should be formed in the college as per the guidelines of the Technical Education Section of the Department of Technical Education, Training & Skill Development Ministry of the Govt. of West Bengal. Therefore, we have decided to do the functions of this committee formation process on that day. Your presence in the process of forming this committee is also very important.

We will be grateful to have your gracious presence in the inauguration ceremony of the program. Many dignitaries will be present on that day.

So, this is our kind request to you to kindly make it convenient to be present in the inauguration ceremony on 19th September, 2023 at 11:00 AM to make our endeavor a grand success. May your gracious presence bless us in our future endeavors.
